

03-6 Cooperation between Shenzhen Technology University and Würth Elektronik Eisos and Heilbronn University

Fakultät für Technik und Wirtschaft

LETTER OF INTENT

between

- 1 **SHENZHEN TECHNOLOGY UNIVERSITY**
- 2 **WÜRTH ELEKTRONIK EISOS**
- and
- 3 **HEILBRONN UNIVERSITY**

The purpose of this letter is to promote co-operation in the fields of teaching, training and research between **SHENZHEN TECHNOLOGY UNIVERSITY**, **WÜRTH ELEKTRONIK EISOS** and **HEILBRONN UNIVERSITY**.

All parties agree to cooperate in the following general forms:

- Exchange of graduate and undergraduate students**
- Exchange of faculty members for lectures and research**
- Exchange of academic materials and academic publications and information**
- Co-organisation and participation in lectures, seminars and conferences**
- Joint vocational training activities**
- Joint research activities**

In the subject area of:

- Electrical Engineering**
- Industrial Engineering**

The themes of joint activities, the conditions for utilising the results achieved and the arrangements for specific visits, exchanges and other forms of co-operation will be negotiated separately for each specific case by the concerned parties.

It is understood that all financial arrangements between the three parties will be negotiated individually.

It is also understood that the implementation of any agreement will commence upon its signing by all parties, and that it will be valid for five years subject to revision or modification by mutual consent. The possibility and terms of renewal of any agreement will be discussed by the representatives of all parties within six months prior to its termination.
